2000 Sangiovese
Walla Walla Valley

Winemaker Tasting Notes

Our 2000 Sangiovese is our finest since we began producing this varietal in 1995. Since then we've really fallen in love with the variety and the wines it produces. Our 2000 Sangiovese is a very dark wine with an intensely fruit driven nose, and elements of strawberries, dust, roses, tar, charcoal, and wood. This is a serious Sangiovese with long-term aging potential.
