2017

SANGIOVESE

WALLA WALLA VALLEY

This may honestly be my favorite Sangiovese we have produced since the 2005 vintage. Judging by the surprisingly dark color, one may find it hard to believe this is truly 100% Sangiovese. The nose has mouthwatering notes of summer-ripened strawberries and freshly whipped cream. The texture is long, crisp, creamy, and truly delicious with the palate-cleansing acidity I love most about this variety.

TASTING NOTES
